

Teacher of English KS3

MPS/UPS

Full Time, Permanent

To start: September 2022

Rotherham Aspire PRU enables students to be the best they can be. We pride ourselves in creating opportunities for children with multiple and complex barriers in life, with many of our students having been permanently excluded or at risk of permanent exclusion from mainstream education.

We are seeking to appoint a Teacher of English who creates an exciting learning environment and thinks inclusively, to provide a very practical and engaging way of delivering lessons. Our environment can be challenging but very rewarding. Small groups enable staff to build strong, emotionally safe relationships which prove to be at the heart of everything we do.

You will be a qualified teacher and will have previous experience of teaching English and developing aspects of literacy in an AP/Special School and/or mainstream school. This position would suit both upper primary trained staff and secondary phase practitioners alike.

You will be:

- An inspirational teacher with high expectations and aspirations for all
- Able to build good relationships with the staff and pupils
- Able to enthuse the most complex students to achieve their potential
- Comfortable working with young people who present as challenging
- Positive and resilient, with a good sense of humour

We can offer:

- Small Class sizes with a Teaching Assistant in each class
- Sufficient time to plan and prepare lessons
- The opportunity to make a genuine difference
- A high level of continuous support practically and emotionally, through extensive CPD
- A team of hard-working, likeminded people with a good sense of humour
- Links to mainstream schools and the expertise within them through our partnership cluster arrangements
