

LABOUR MARKET INFORMATION (LMI)

Labour Market Information (LMI) includes reports, studies, statistics and other information about:

- What skills and qualifications do you need for a specific job?
- How much can you earn in a job?
- Which employers are doing well?
- Which job sectors are growing?
- Which jobs need more people right now?
- Which jobs are in short demand?
- How many people are currently working in a specific job?
- How many people are likely to be working in that job in the future?
- Which jobs have a higher percentage of men or women?
- What routes did workers take to qualify for their careers?

‘Shape Your Future in South Yorkshire’ which provides some key facts about the labour market and information to help you plan for the future. Click here: [HeppHUB - Higher Education Progression Partnership](#)

Information on the regional and local areas of employment. Growth areas, jobs opportunities, employment trends and developing job markets. Click here: [Invest Rotherham - Business and Developments in Rotherham](#)

Rotherham Investment & Development Office (RiDO) is here to help stimulate economic growth in the area, creating jobs and prosperity into the future. As the economic development arm of Rotherham Metropolitan Borough Council, RiDO provides a professional, impartial and completely free service. Their skilled team provides bespoke support to meet the needs of Rotherham’s growing economy in a range of areas. They work closely with partners across the region including the Sheffield City Region Growth Hub to provide a comprehensive range of services to support the business community.
