

## Position statement for PE and Sports Funding 2021-2022

At Aspire we firmly believe that PE and Sport are not only part of every child's entitlement but also provide opportunities for them to develop key life skills such as team work and resilience. Pupils are encouraged to undertake a range of sports and activities both within the Physical Education (PE) curriculum and at playtimes.

As part of the government initiative, all primary schools receive funding to improve and develop the PE provision.

In 2021-2022 we received funding worth £16,220.

Cost breakdown:

- Appointment of specialist PE tutors to deliver all PE provision in Key Stage 1 and 2 (2 x 1 hour per week, small group settings).

Tutors employed on equivalent of 0.5 timetable. £15,612

- Curriculum resources to support the delivery of National Curriculum Physical Education £600

Total Spending £16,220
