

ROTHERHAM HEALTHY HOLIDAYS

Healthy. Active. Happy

A huge range of holiday activities for children during the summer school holidays.

Rotherham Council has partnered with a range of organisations across the borough to deliver holiday activity programmes. Each session includes a meal.

Funded places are available for eligible children aged from Reception to Year 11, including, but not limited, to those receiving benefits-related free school meals, elective home educated or placed in care by Local Authority. To see if your child is eligible, please visit: **www.rotherham.gov.uk/healthy-holidays**

To find out more or book a place for your child, please contact the providers directly. For funded places please have your unique reference number ready. Some of our providers also offer good value paid places.

Any activities taking place in a school, are open to all children, not just their own pupils.
