

EMPLOYERS

Working with Local Businesses

At Rotherham Aspire we continue to develop strong links with local employers. We work with them in our Careers programme in various ways. Some employers come into school and talk to our students about their businesses. They discuss what the job is like, along with what skills and qualifications are desired. We work with a Charity in Sheffield who offer World of Work programmes to our young people in a range of Industry so they can get an insight into different areas of the job market. We work with Work Wise to offer STEM events so the students can experience a large range of employers and job industry's. Our students attend Career Fairs where they meet local Post 16 providers and employers.

Here are some apprenticeships from large local employers:

Barclays	Bentley	Jaguar Land Rover	
Airbus	Atos	Arnold Clark	Vodafone
