Qualification dates

Regulated qualifications have review dates, operational end dates and certification end dates.

The qualification review date is the date by which we'll have carried out a review of the qualification. This date is shown on the qualification page on our dedicated qualifications website www.qualhub.co.uk.

We review qualifications up to 18 months before their review date, working with sector representatives to make any changes necessary to meet sector needs and to reflect recent developments. In most cases we'll then extend the qualification, and set a new review date. If we make the decision to withdraw a qualification, we'll set an operational end date.

If we extend the review date then this will be shown on the qualification page on our dedicated qualifications website www.qualhub.co.uk and approved centres will be kept updated.

The operational end date will only show on the Register if we've made the decision to withdraw a qualification. After this date we can no longer accept learner registrations.

The certification end date will only show on the Register once an operational end date has been set. After this date we can no longer process certification claims.

- ensure that all staff involved in assessment and internal quality assurance are provided with appropriate training and undertake meaningful and relevant continuing professional development
- implement effective internal quality assurance systems and processes to ensure all assessment decisions are reliable, valid, authentic, sufficient and current. This should include standardisation to ensure consistency of assessment
- provide all staff involved in the assessment process with sufficient time and resources to carry out their roles effectively.

Assessors and Internal Quality Assurance

This may be gained through experience and/or qualifications.

Section 3

Assessment and quality assurance

Assessment and quality assurance

How the qualification is assessed

Assessment is the process of measuring a learner's skill, knowledge and understanding against the standards set in a qualification.

The Entry Level Award in Creative Craft (Entry 3) is internally assessed and externally quality assured.

Internal assessment

Each learner must create a portfolio of evidence generated from appropriate assessment tasks which demonstrates achievement of all the learning outcomes associated with each unit. On completion of each unit learners must declare that the work produced is their own and the Assessor must countersign this. Examples of suitable evidence for the portfolio for each unit are provided in Section 2 (page 12).

Internally assessed work should be completed by the learner in accordance with the qualification specification. A representative number of assessment hours should be timetabled into the scheme of work. Internal assessment hours must be administered outside of scheduled teaching and learning hours and should be supervised and assessed by the Tutor. Assessment activities can be integrated throughout, although separate from the teaching of the unit and do not have to take place directly at the end of the unit.

Any work submitted for internal assessment must be completed during scheduled assessment hours in accordance with the scheme of work, and must be authenticated and attributable to the learner. The Tutor must be satisfied that the work produced is the learner's own and the learner must declare that the work is their own.

In practice, this means that all of the portfolio of evidence will be completed in normal class time within scheduled assessment hours and kept separate from any teaching and learning hours.

If a centre chooses to create their own internal assessment tasks, they must:

- be accessible and lead to objective assessment judgements
 - permit and encourage authentic activities where the learner's own work can be clearly judged
 - refer to the 'Internal Assessment Tasks: Guidance for Centres' on our dedicated qualifications website www.qualhub.co.uk.
-

Supervision of learners and your role as an Assessor

Guidance on how to administer the internal assessment and the support you provide learners can be found on our dedicated qualifications website www.qualhub.co.uk.

Feedback to learners

Guidance on providing feedback during teaching and learning and each stage of the assessment can be found on our dedicated qualifications website www.qualhub.co.uk.

Presenting evidence

Written

Written evidence may be presented in word-processed or handwritten form. Audio-visual content (videos, pictures, drawings, audio) may also be used.

Tables, graphs and spreadsheets may be produced using appropriate ICT.

Any copied material must be suitably acknowledged, and quotations must be clearly marked and a reference provided wherever possible to ensure that learner work can be authenticated.

Recorded

Where audio-visual evidence of multiple learners is used, centres must ensure that each learner being assessed is clearly visible and can be identified by the Quality Assurer.

The recorded evidence should allow the learner to demonstrate the learning outcomes clearly but should only show work relevant to what is being assessed. For example if a performance/participation is done as part of a group, the Quality Assurer will need to be able to see how each learner being assessed has contributed and met the learning outcomes.

To help our Quality Assurers to identify clearly when a particular learner is performing/participating we'd recommend including the following information:

- the exact start and finish times so that the Quality Assurer can go straight to that spot on the tape/recording
- a running order list and a description of each learner
- information about where the performance/recorded evidence took place
- what type of audience they were performing to (if applicable).

Centres must also ensure that the camera and microphone are set up in a suitable place to ensure good quality audio. This will allow the Quality Assurer to hear both the learner(s) and the Assessor (if applicable).

We have set out an example used for a performance:

Test High School

Recorded evidence: starts 4 mins 30 seconds into the recording and finishes at 16 mins 27 seconds.

Venue: School hall

Audience: Assessors, parents and friends

Band 1:

Lead singer – Joe Bloggs (brown hair, front of stage)

Drummer – Tom Smith

Guitar 1 – Dan Brown (blond hair, blue jumper)

Guitar 2 – Mark Jones (brown hair, left hand side)

Performance of XXX:

Lead male – John Smith

Lead female – Ann Jones

Choir:

Kay Bell (brown hair, back row 3rd from left)

Jane Pattison (blonde hair, back row 5th from left)

Michael Davies (brown hair, front row 3rd from right)

If learners are not clearly identified, NCFE may not be able to quality assure or examine the work.

Quality Assurance

Internal quality assurance

Internal quality assurance is the process of ensuring that everyone who assesses a particular unit in a centre is assessing to the same standards. It's the responsibility of Internal Quality Assurers to ensure that Assessors' decisions are sampled and monitored to ensure consistency and fairness. Internal Quality Assurers are also responsible for supporting Assessors by offering advice and guidance.

The Internal Quality Assurer will follow the centre's own sampling strategy in selecting the sample to be internally quality assured. See the guidance on sampling on our dedicated qualifications website www.qualhub.co.uk.

The Internal Quality Assurer provides the vital link between the Assessors and the External Quality Assurer and acts as the centre's quality assurance agent.

External quality assurance

External quality assurance of internal assessments is carried out at least once a year to ensure that assessment and grading decisions are in line with required standards. External quality assurance is carried out by External Quality Assurers who are appointed, trained and monitored by NCFE. External Quality Assurers are responsible for monitoring and sampling learners' evidence to ensure that internal assessment decisions are valid, reliable, fair and consistent with national standards. Centres are notified of their External Quality Assurer's contact details on registration of learners with NCFE.
