

Parent\Carer Information

You can find out lots of helpful information in these parent guides:

Parent Guide –

<https://st-nicholas.cheshire.sch.uk/>

This guide offers lots of guidance about how to support your child's journey. It explains the different routes available into careers and debates the differences between going to university compared with completing an apprenticeship. It also offers suggestions about how to prepare your child for university.

Parent Guide – Apprenticeships This guide explains about the different types of apprenticeships and how to successfully get an apprenticeship. It also explains what employers are looking for, as well as providing information about apprenticeships in the Army.

<https://st-nicholas.cheshire.sch.uk/>

A practical guide giving a step by step approach to help your child focus on career paths connected to their skills and interests. Covering the basics – from university, apprenticeships and other pathways into work, to work experience and employability skills.
